

THROUGH THE LENS OF WERNER MANTZ

A city tour
where past
meets
present

ENGLISH

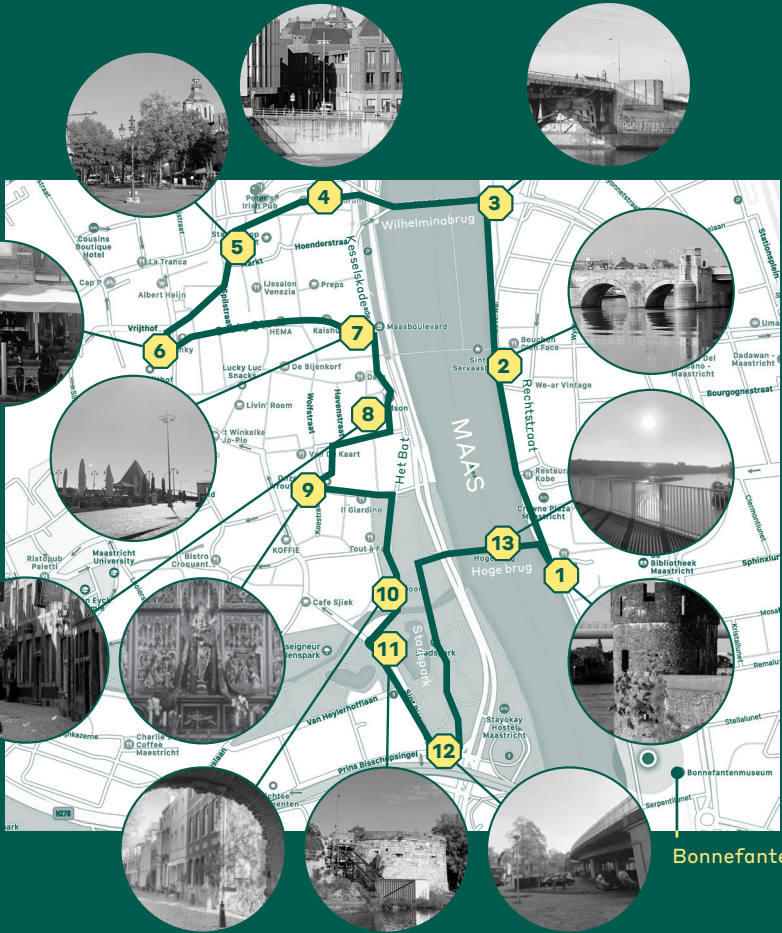

On the Bonnefanten audio tour, you can walk to the actual places in Maastricht captured on camera by the illustrious photographer Werner Mantz, often in the early hours of the morning. Some locations look practically unchanged, whereas others call on you to use your imagination. Follow Mantz's romantic gaze in order to discover the bygone appearance of the old city.

To find out more about the life and work of Werner Mantz, you can visit *The Perfect Eye*, which is on display in the Bonnefanten until 26 February 2023.
